#### DECLINE LIPTON'S RACE CHALLENGE

Voting Members of New York Yacht Club Say Challenge Does Not Comply With Deed of Gift Which Governs All Contests for Cup.

Now York, March 12.—Sir Thomas Lipton's challenge for another race for the America's cup, the premier trophy of the yachting world, was declined by the New York Yacht Club to-night. This action was taken, the club another action was taken, the club another race for the New York Yacht Club another race for the Royal Ulster Yacht Club, it cannot be given to the press until to-morrow evening."

The declination of the present challenge, however, it was stated by members, did not necessarily mean that no cup race was in prospect, as the club expected an unrestricted challenge for the cup from a British gentleman other than Sir Thomas Lipton.

The club's only official statement rejuted to the reason for the declination of the Lipton challenge, which was forwarded by the Royal Ulster Yacht Club for Sir Thomas. The statement read:

"The declination of the present challenge, challenge, Could be a gainst acceptance. The refusal was a repetition of the club's action upon the Lipton challenge in 1907 which likewise stipulated for craft under the ninety-foot mark as challenger and defender.

Sir Thomas sent three beats to this side of the water in a vain quest of the cup against ninety-foot defenders, and has contended that a yacht of the ninety-foot type can not be constructed. The declination of the present chal- challenge,

### VIRGINIA LOSES **GAME ON ERRORS**

Griffith's Men Bunch Hits at Opportune Time-Boehling and Clark, Richmond Boys, Oppose Each Other for Five Innings.

Stovall Praises the Ex-Richmond
Player for His Quickness.

The St. Louis Post-Dispatch says:

"Stovall continues sweet on his new outfielders, Walker, Sloan and Johnston. A couple of the new infielders also drew some praise from the boss. Of Fred Graff, the third sacker, who hails from the Richmond (Virginia League) team, he said: "He gets the ball away from him faster than any man in our league."

That's a pretty good boost for a younster who has had only four days' work. Graff's slugging notch wasn't a healthy one in the minors last season. But it's a lead-pipe cinch that Stovall is koing to give him more than any outs and rames. An intelligent young of the remaining season and their sports.
